

GOALS FOR 2009

Richard Wolfe
MTW Regional Director for
Central America
& the Caribbean

Personal:

- Read through the Bible in a year looking for how God works in His people's lives.
- Study four books on sanctification.
- Read 'Table Talk' daily.

Family:

- Go through 'Supper is Ready' by Paul Kooistra once a week.
- Pray for the family daily.
- Encourage the boys in their own reading of the Word.

Ministry:

- Continue to spend time worshipping God and praying for the region weekly and write a devotional.
- Prepare three courses for teaching: 1. Living in Grace course, 2. Practices of an Effective Leader, and 3. Discipleship/ Mentoring.
- Raise an additional \$500 a month in support. FYI—my account (like many) is hurting. I have been encouraged to watch my budget this coming year. Therefore, I might need to do less traveling and be more strategic in my planning. For example, in January I will visit both Costa Rica and Honduras in one trip.
